I would also like to remind parents that students are requested to wear their full school uniform – their ‘best’ one please! On Saturday, several hundred people will be at our school; to give the best impression, it is imperative that students’ presentation and behaviour is exemplary. Wartburg State School will be on show. Our children will be our school’s ambassadors; let’s make our visitors’ lasting impressions of our school positive ones.

Reminders about uniform:

- Green uniform shirt, preferably with the Wartburg logo on the front
- Black sun-safe shorts/skirts
- Plain black or white socks
- Bottle-green broad-brimmed hat
- No jewellery (other than a wrist-watch, signet ring or small earrings)
- Long hair neatly tied
Tuckshop News:
The pasta bolognese is a resounding success! Our Winter Warmers menu will continue through until the end of the term so, if you would like your child to enjoy a delicious, nutritious lunch on Mondays, $3.50 will buy either a bowl of soup (pumpkin, pea & ham, chicken-noodle-vegetable) or pasta bolognese. Drinks are also for sale: strawberry or chocolate ($2.00) and fruit poppers ($1.50).

Volunteers are always needed to help in the tuckshop. If you feel you could donate a couple of hours of your time, every few weeks, on a Monday morning, please contact our P&C President, Deb Little, at school.

Please note: There will be no tuckshop on Monday, 12th August. Instead, all students will be treated to a sausage sizzle at the first break, free of charge. Children should remember to bring food for their second break.

CIRCA
What a great time our students had on Wednesday with Alyssa and Bree from Circa! The students tumbled, rolled, climbed, juggled, balanced, jumped and spun their way through all the activities led by the circus performers. It was especially gratifying to hear that, of all the schools in the Bundaberg district that Alyssa and Bree had visited, our students were by far the best behaved and most respectful. Well done, Wartburg!

Gladstone Regional Council Art Gallery
As you are probably aware, we have had several successes in the last two Australia Day art competitions run by the Gladstone Regional Council. In 2012, Angela Johnstone (1st prize) and Harriet (Highly Commended) received prizes. In 2012, Liam Jenkins received a Highly Commended prize. These three students’ art works were also selected to go on display in an art gallery in Saiki, Japan, as part of the sister-city relationship shared between Gladstone and Saiki. On Tuesday evening, Angela and Harriet were invited to meet with representatives of the Japanese art gallery, for presentations of special certificates and prizes. Once again, people in the wider community are becoming more aware of how terrific our little school is; according to Angela’s mum, Kylie, the Gladstone Regional Art Gallery curator was effusive in her praise of the art work submitted by Wartburg students each year. Well done, Wartburg!

See you on Saturday!
