Thank-you to all for a great start to the year! It is already flying by so quickly…

WARTBURG SS P&C
The P&C AGM (Annual General Meeting) was held on 11th February at 3:15pm. Thank you to those who attended and for taking on a role. The staff and students of Wartburg do appreciate it. Now roles have been delegated I hope to see more parents at future meetings ;). Remember a strong parent body in the P&C is the voice for students, parents and the wider community.

Next P&C Meeting – Thursday 13th March @ 3:15pm

TUCKSHOP - Vacancy
So as tuckshop can continue, Debbie Little has nominated as tuckshop convenor, only until someone steps forward to take on the role. Thanks Debbie! The role would be voluntary, 1 day per week (day nominated by tuckshop convenor) and the tuckshop would continue to follow P&C’s Queensland’s Tuckshop Guidelines to ensure workplace health and safety. If you have any questions or would like to know more about the role as tuckshop convenor please contact the school or Deb Little.

Next week tuckshop will be on Wednesday 19th Feb – All orders will need to be in by Tuesday 18th Feb. Order form and prices are below.

JEWELLERY
Just a reminder to parents and students only basic jewellery is allowed to be worn at school by students. The only jewellery permitted is a cross necklace, a watch, signet ring and stud or sleeper earrings. No bracelets (unless medical) are to be worn. If students are wearing unnecessary jewellery it will be confiscated and not returned until end of term.

STUDENT COUNCIL
Last week student representatives chose Being Respectful as our expectation focus, particularly in the playground and on the oval. Therefore, staff are looking to give more Kook Cards to students who are playing fairly, including others and helping others to join in games and following the rules of the games they are participating in.

GARDENING CLUB
Some students who are interested in gardening have started a greenhouse roster so as other students can participate in some planned activities involving gardening. To help these students continue and build on these interests any donations of gardening equipment, plants, seeds, soil, potting mix would be greatly appreciated. The students would be very grateful if there was anyone with some spare time, gardening expertise or interest in gardening to volunteer and help direct some projects in this area.

SENIOR SHIRTS
Grade 6 and 7 students have collaboratively selected designs and colours of senior shirts. Some students were concerned with the cost to families in buying these shirts, so they along with Mrs Piltz and Kylie have proactively decided to fundraise to reduce expense on families. They have many ideas yet to be finalised and implemented, such as a crazy hair day and hot dog day.

GUESS HOW MANY…
Already started is the Jelly Bean Jar. Students, parents, staff, community members can pay 50c for 3 guesses as to how many jelly beans are in the jar. The correct guess gets you a jar of jelly beans!
