Dear Parents, Carers and community members,

This week the Wartburg students were joined by Lowmead students and engaged in a visit from author Phil Kettle, who has written a number of successful children books and series including the TooCool Series, Get Real, Boyz Rule, Girlz Rock, Bill Kool, Our Australia and Marcy Jarvis Walker Kids Fishing Books. During the visit Phil Kettle excitedly talked about writing as an adventure and discussed how to plan narratives, a skill students will utilise to complete the narrative focused English units this term. Be ready to read some exciting and well-structured narratives.

**MUNCH AND CRUNCH**
At 8:45 each morning students have ‘Munch and Crunch’, an opportunity to refuel their bodies before optimum learning time. Ideally in this time students would bring **raw fruits or vegetables** (e.g. apple, orange, grapes, banana, carrot, cucumber, celery, tomato, salad etc.), **dried fruit** (apricots, mixed, sultanas), **nuts** or a **healthy alternative** such as a healthy sandwich, rice, pasta, boiled eggs or fruit yoghurt.

At first break students are encouraged to eat the healthy option first, whether it is a sandwich, rice crackers, dinner left overs, fruit or salad. Please be sure you have packed enough lunch for your children as they need body fuel for energy to learn, think, play and grow.

For those students who catch the bus of an afternoon parents may choose to add an additional snack to eat after school due to the time they arrive home.

**CLEAN UP AUSTRALIA DAY**
Schools Clean Up Day is this Friday the 28th February. Staff and Students will do their part to help keep Australia clean by holding an emu parade of the school grounds after lunch on Friday.

**Remember when you believed in anything and everything?**

Researchers from the University of Western Australia are investigating children’s ability to detect and avoid potentially harmful social interactions, such as being easily fooled or tricked into doing something. We are looking to see how this develops in children, and when children outgrow this vulnerability.

We are looking for parents of Kindergarten – Year 6 children across Australia to complete an online survey (15 – 20 minutes). Participants will go into a draw to win one of 10 $50 gift certificates to Coles/Myers. To participate go to:

**Cybersafety help button**

Online safety is just a click away with the Cybersafety help button now installed on all school computers throughout the state. The floating icon will be visible on computer desktops and is also available for parents to download to their home computer. It provides students with an easy means of reporting cyberbullying and online concerns. The button is a federal government initiative providing an online hub with 24 hour access to cybersafety help, reporting options, resources and information.
