Dear Parents, Carers and community members,

**Awards Night**

Due to staff commitments we are holding our end of year Celebration Night on Friday 21<sup>st</sup> November 2014.

**Behaviour Focus of the week**

Be Respectful: Respect others rights to learn.

We do this by:
- Being good active listeners
- Staying on task and completing our work
- Following instructions
- Choosing the right time to talk

**SWPBS – THE BEHAVIOUR TEAM NEWS**

The Behaviour Support team will be meeting tomorrow (23/10) straight after school. If you are interested in learning more about how positive behaviours are taught in the school feel free to come along as all parents are welcome to attend.

**Swimming ALERT – LOWER PRIMARY –**

Swimming starts **Monday the 27 of October**.

Students in Prep, One, Two and Three will be participating in 4 hours of swimming lessons over 8 days. Swimming will be on Mondays and Tuesdays on the 27<sup>th</sup> and 28<sup>th</sup> of October as well as the 3<sup>rd</sup>, 4<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, 17 and 18<sup>th</sup> of November (weather permitting). We apologise for the short notice and will be sending permission notes and invoices as soon as possible. This year we have been able to have our own staff trained as swim instructors and have managed to secure a local pool for the lessons, therefore the price of lessons has been reduced considerably.

Students will arrive at school in their full school uniform. They will be required to bring sunscreen, a sun-safe hat, swimmers, swim shirt (rashy) thongs or sandals, a plastic bag and a towel. Goggles are optional. Students should also pack their usual lunch and a water bottle.

Swimming clothes will be hung out at school on Monday and returned to the children to take home on Tuesday afternoon.

**P&C Raffle Tickets** – $600 Cash Raffle to be drawn on Awards Night 21 November 2014

If you are having difficulty selling your raffle tickets, please, return the ticket books to the P&C Association. Thank you to everyone who has already sold and returned money and ticket stubs. The Family who sells the most tickets will receive a family movie pass. Ring school for more tickets!!

Australia Day donations are set to help communities share in the fun

Australia Day - the day when the nation comes together to celebrate what is means to live in the 'lucky country'.

Gladstone Regional Council encourages local communities to get involved in these celebrations and apply for an Australia Day Community Donation for 2015.

Gladstone Region Mayor Gail Sellers said the donations are available for non-profit community groups and organisations registered and operating within the Gladstone Region.

"Groups must demonstrate a willingness and ability to connect their residents by planning and staging an Australia Day event in their town," Councillor Sellers said.

"This is the fourth year Council has offered this funding opportunity which complements Council's Australia Day Family Fun Day, which will next year be hosted at Tannum Sands' Millennium Esplanade."

All applications will be assessed according to the criteria outlined in the Community Donations Policy which mentions that any event must be accessible to the general public and held on Australia Day or the designated public holiday.

Applications will be accepted until close of business Friday, October 31, 2014.

14 October 2014

Dear Parents, Guardians, teachers, staff and students:

In light of the recent serious traffic crashes on Capricornia District roads, we are asking all members of our community to abide by the road rules and remember the fatal five:

- Speeding;
- Drink and Drug Driving;
- Failure to wear a Seatbelt;
- Driving while Fatigued;
- Distraction and Inattention.

Each year a considerable number of people are killed or seriously injured on our roads. The safety of our students, children and families is a very high priority.

Students who travel by bus to and from school are reminded if your bus has seatbelts, you must wear them. Students who ride their bicycles to school should always be aware of their own personal safety and that of other road users. It is compulsory for cyclists to wear helmets. These helmets must be in good condition, fastened correctly and fit properly. Otherwise, they are effectively useless and will provide no protection when you may need it the most. Parents/carers are requested to ensure that their child has a suitable helmet that meets the Australian Standards.

Students who drive to school are reminded that it is a privilege to hold a drivers licence. We ask all drivers to be aware of the speed limit in school zones and be very conscious of pedestrians and other road users. Driving is the most dangerous activity that occurs on our roads. Every year hundreds of people are killed or seriously injured. Always drive responsibly and always abide by the Australian Road Rules. Failure to comply may result in traffic infringement notices being issued as well as your vehicle being confiscated by Police.

Please drive safely so you can go home at the end of the day to your loved ones.

Kind regards,
