

OH MY GOODNESS ME!!!!!!

Hi my name's Melanie Files and I'm here to tell you about what a great start to the year I had in the floods 2013 (not !). I moved houses about 6 weeks ago. I moved from Bundaberg to Baffle/Euleilah just before all of the flash flooding hit Bundaberg, my old city. At 1 pm in a little city called Bargara, about 30 minutes away from where I used to live, a big huge tornado hit, tearing roofs and timber off people's houses throwing them in the air, destroying everything in its way and ruining everyone's great holiday .

BUT...it wasn't just Bargara that was hit. On the 24th of January heaps and heaps of heavy rain fell from the sky in Bundaberg. By the 27th of January Bundy was flooded. There were Black Hawks landing and heaps of rescue helicopters. All the rain and flood water hit most of the places it had never really hit, before including my old house.

The floods did come down to Baffle Creek my city and got us pretty well. Thankfully not my school or my new house since we live on a hill now. It did get the local tavern and the caravans in the caravan park and most houses over the Euleilah Bridge. The end and.....

THAT'S WHAT I CALL AN AUSTRALIA DAY TO REMEMBER !!! /
