School Performance Tours

Science and Technology, History, Drama: The importance and impact of technology in our lives. Changing technology over the centuries.

English: Literary Texts, Imaginative Texts, Language Structures & Features, Verse, Rhyming Poems, Nonsense Poems.

Have you registered your child in kindy for 2024?

Registrations are open for next year! Now is a great time to ensure kindy is the next step in your child's early learning journey.

Kindergarten is where children continue their love of learning. A place where your little one will make friends, explore new environments, build confidence and have fun learning. Kindy offers meaningful experiences and interactions that support your child's early learning, wellbeing and development, now and into the future.

Our State Delivered Kindergarten program is a place where children can explore new environments and have fun learning with friends, take part in play-based learning, expand their physical abilities, build their confidence and enhance their social skills.

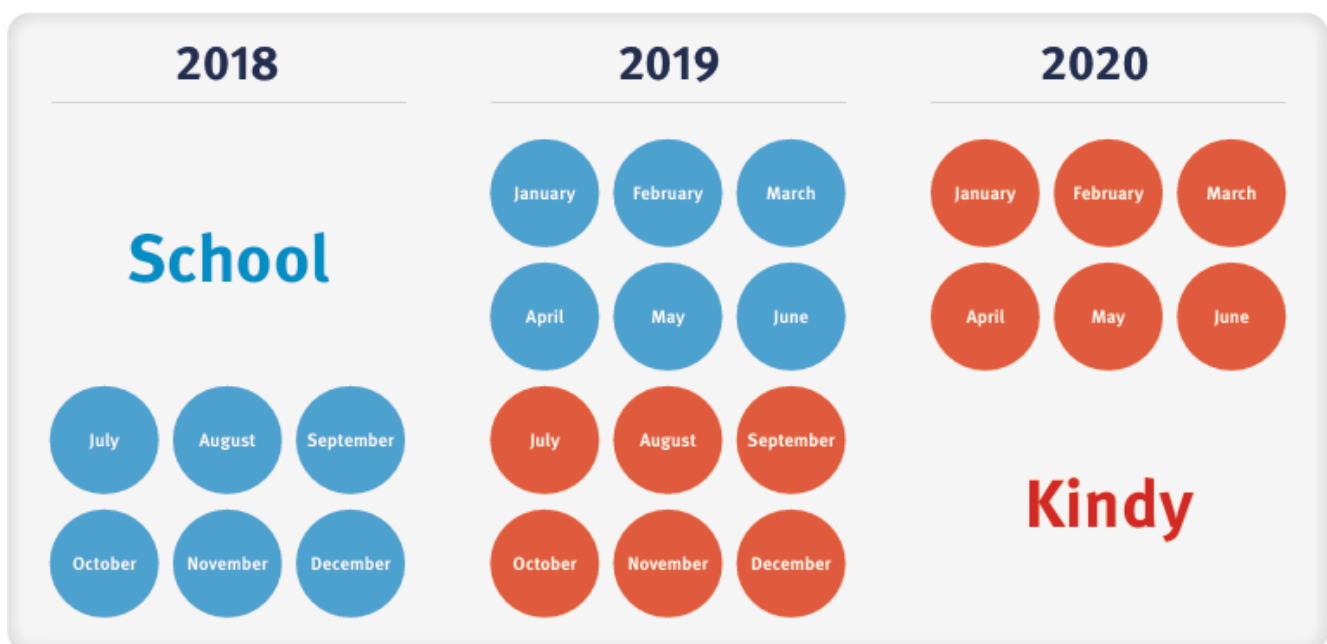

Kindy also builds lifelong skills that will benefit your child well into their future.

Talk to our school about our kindy program and register your child now.

Kindy counts for a lifetime.

Does my child start kindy or school in 2024?

Born in blue, school is for you.
Born in red, it's kindy instead.

ARE YOU THE PARENT OF AN AUTISTIC CHILD?

Researchers at UQ are looking for parents of autistic children who would like to

- strengthen their relationship with their child
- understand autism from autistic people
- develop personalised strategies for self-care

WHAT IS THIS STUDY ABOUT?

This study seeks to test the effectiveness of a new innovative online parenting group program for parents of autistic children, designed to improve parent-child relationships and wellbeing of autistic families.

WHO CAN PARTICIPATE?

- Adults fulfilling a parental role (e.g. biological, adoptive, foster parents or legal guardians) of autistic children (10 years and younger)
- Able to commit to 3 sets of assessments and a 5-week online program (zoom), across 4 months
- All parents will receive free access to the full program

I want to participate!

For expressions of interest or more information, please contact Sarah Lee at lee.jy.sarah@uq.net.au or scan the QR code to find out more!

Wartburg State School Book Fair

Opening times: 8:15am – 8:55am & 3:00

Wartburg SS P&C Calendars

The P&C are asking every family to provide a drawing/painting of "What you love about Baffle Creek"

These pictures will be made into an eighteen-month calendar that the P&C will have for sale to the community.

Pictures can be a family combined effort.

We have attached a blank piece of paper with a boarder for you to use for your drawing.

Please ensure you return all pictures by Monday 27 November 2023
